Honoring **Women Who ROCK** from all walks of life!

About WWRN

Women Who ROCK Nashville(WWRN) is an annual Black-Tie Awards Gala where we honor women from all walks of life. Women Who Rock Nashville was founded by author, motivational speaker, producer, and entrepreneur, Tanya Davis. She has propelled beyond the challenges of her past to achieve greatness in this new chapter of her life. Her personal brand has a reach of over 5K followers and growing on social media.

This extraordinary event will honor local and regional women in the following industries: Education, Entertainment, Medicine, Entrepreneurship, Activism, etc., as well as, survivors in the following categories: Substance Recovery, Domestic Violence, Cancer and many more!

Women Who Rock Nashville has partnered in the past with various 501(c)3 non-profit organizations to assist and help them to achieve their goals. In the year of 2020, WWRN is proud to announce that the organization will become an official non-profit (501c3). However, until this process is complete...

We need your help!

In order to place women on a platform that is needed and also to provide outreach for the community, we need ALL HANDS ON DECK!

WWRN had a very successful soft-launch of the event in 2019 where all purchased tickets were sold out. We would like to take this time to build and cultivate relationships with donors and sponsors that are willing to partner with us in the empowerment of our women WHO ROCK in our local community of Nashville, TN.
